August 2021 ***providing safe dormitory living for Ugandan orphans***

Coping with Covid!!

It has been a topsy turvy 8 months for the girls at Alakara Home. They went to **school** for approx. 3-5 months only as Uganda went in and out of lockdowns, but they are keeping up their study through lessons provided on TV channels. So our dining room is a TV classroom every day!! We are now waiting for schools to re-open once teachers have been vaccinated.
Uganda has opened up and **I am hoping to go back** by the end of October.

Highlights!!

1) The girls in yellow **passed their Primary Leaving Exam** and now will be going to High School when schools open!! They are very excited! And we are very proud of them!!

2) We celebrated our **6th year of Alakara Home** on 30 May 2021. We are so grateful for all God has done for Project Moroto and the girls of Alakara Home. Thank you for being a part of our journey.

3) I have to give the **biggest shout out to our fabulous Mama Esther** who has carried the project over this last year through Covid, school closures and being Mama to our 30 gorgeous girls!! She has been unwavering in her passionate commitment to our vision. WE ALL LOVE HER!! Though – she is looking forward to when I come so she can have a holiday!!!! I think she's earned it!!

4) Project Moroto has **just acquired land** approx. .4 of an acre bordering Alakara Home.

The owner wanted to offer to sell to us before others because of the work we are doing for the orphans of Moroto. Not sure what will go on it but the girls are happy and have ideas!!!

5) We have also just been **gifted approx. 50 acres of beautiful flat land** from a tribe wanting development in their area. Project Moroto plans to build a **girls' boarding school** on this land. Miraculously we have been promised the funds for this build!!!! Now we just **need a wealthy benefactor** to cover our annual running costs!!! If you know one please send them my way!!!

Dream List:

1) Schools re-open permanently so the girls can continue their study unhindered.

2) Obtain the two plots of land in front of Alakara for future development towards economic sustainability for PM.

3) A wealthy benefactor for our school vision!!

4) Careers advisor to come and guide our girls for their futures.

5) Wisdom and financial provision for building on our new land.
