

Dec 2021 *providing loving care, education and opportunity to Ugandan children*

I'm going back!!!

I'm so excited to be going back to see these gorgeous girls on the 5th Jan 2022 for 10 months. It has been nearly 2 years since I was in Moroto. They will have changed so much - I'm becoming the shorter one year by year!!! – plus there are 3 girls I haven't even met.

What's the plan!??

1) Get all our girls off to school!! Schools open on the 4th Jan and different classes will start on different days. The girls are so looking forward to this. We had four seeking to get into High School for 2022 and they have achieved this and so now we will have 13 girls at boarding school.

2) Give Mama Esther a holiday!!

3) Begin to organize the build of our High School. There are builders to be chosen, bore hole dug, clearing of site, grading of drive, and a build commenced. A friend of Project Moroto has offered to come and help me project manage this build during the year so that will be fantastic!

4) **Seek the purchase of the land** in front of Alakara Home for commercial purposes to help fund Project Moroto in the future.

5) **View and decide on an offer to purchase 10 acres** of land just outside Moroto Town for NZ\$24,000. This land possibly used for rental housing to fund PM in the future. If anyone is interested in helping with this please get in touch!!!

6) Lastly, but never the least – **to spend time with the girls** – loving, encouraging, motivating and believing in them.

Dream List!!:

- 1) Safety and health for all our girls as they start school, and for all our staff.
- 2) A great start to our High School build with trustworthy and good builders.
- 3) That the Chinese road sealers will come and grade and seal our driveway to the school site.
- 4) \$24,000 to buy the 10 acres.
- 5) \$100,000 to build 2 rental houses on a new piece of land we have acquired.
- 6) Joy and peace in all we're doing!!
