

Sept 2022 *providing loving care, education and opportunity to Ugandan children*

Hello from all of us in Alakara Home, Uganda!

I have been back in Moroto since January and been getting to know my girls again (after 2 years away due to Covid) plus 10 new ones I had never met. We have now 36 girls living in Alakara Home aged 6-20. They are all at school from P1 up to the 4th year of High School. Plus one has just gone to Catering School. It is very busy with 36 darlings to look after!!!

What's been happening??! **BIG NEWS – SCHOOL TO BEGIN!**

We are finally starting our Project Moroto High School build!! It has taken months to gain land title etc but we are now starting our fencing around our site and building a site office and store and the Chinese Road contractors are hiring out the only excavator in our region to dig foundations etc. Below are images of view from our land and our entranceway. It is a beautiful piece of land, relatively flat and with gorgeous mountain and plains views.

We have 50 acres!! We have half the school build cost (NZ\$3.2 million!!) generously donated by one PM supporter. We have another NZ\$1.6 million to go!! Can you help us? We are looking for 6-figure \$ donors ... or maybe just one to cover the other half!!! You may like to build a dormitory block or classroom block or admin building or assembly/dining hall – all approx. NZ\$160,000 each. **Remember!!** – Giving to Project Moroto is tax deductible so your \$160,000 investment in girls' education in the poorest part of Uganda will only be \$107,000!!! If interested please contact me. Thank you!!

We needed a spruce-up!!! Rats were coming through the ceiling into girls dorm so 8-yr old dorms painted inside and out!!!

Girls are still fasting their meal and giving it to the grandmothers in village next to us.
They learnt to sew on peddle machine!!! Funny!
They got football uniforms for our AH team!!!

THANK YOU FOR ALL YOUR SUPPORT OF THE GIRLS. THEY LOVE YOU ALL!!!
